#### Speaking Topic

Making the Workplace Human Session

Why do great employees leave? This is a question that keeps leaders up at night and a question Danny Goldberg has studied deeply.

- A proven way to develop all-in cultures that goes beyond financial incentives
- Obstacles to shifting company culture and how to address them across generations
- Case studies of simple human-first behaviors that increased the bottom line while championing individuals in the workplace
- How small changes to humanize the workplace can make a big impact, starting now

#### Shift Your Thinking

Most organizations think:

- A great salary and benefits package results in happy, engaged employees.
- Human-first leadership means good pay, perks, and flexibility.
- Pizza parties, yoga subscriptions, and happy hours create engaged cultures.

But the truth is:

- Most people would take a reduced salary to join a team where they feel seen and valued.
- Modern leadership is about compassion and supporting people's personal & professional goals.
- Strong cultures happen when people feel cared for and connected.
